Hudspeth Measure to Make Railroad Travelling Safer Will Surely Be Enacted and Insufficient Engine Crews SHE WOULD NOT MARRY HIM. Done Away With.

### SENATOR HUDSPETH'S BILL FOR THREE MEN ON AN ENGINE.

"It shall be the duty of every railroad company in this State, and of every railroad company operating or using any railroad in this State, employing or using a locomotive engine of the "Wooten," "mogul," "camelback," or "hogback" type, or a locomotive engine equipped with a firebox similar to that employed in any locomotive engine of the type aforesaid, to man any such locomotive engine, while running and in operation, with at least one practical engineer and two practical firemen, one of which firemen shall be stationed in the cab of such lomotive engine while such locomotive engine is running and in opera-
